

# Annual Recognition Program : Thank you to our valued partners

Ricochet (Hébergement/Homes)' Annual Recognition Program honours the partners whose generosity provides essential support to people experiencing housing instability and homelessness in Montreal's West Island, while giving them the opportunity to bounce back.

**To us, partners are more than donors. They are agents of change who help sustain hope and support initiatives that truly transform lives.**

Every contribution to Ricochet helps provide safe shelter, responsive services and renewed dignity to those who need it most, while also strengthening a more caring, inclusive and secure community for the future.
